## Roper Lake State Park

After a long day of driving or hiking, the natural hot springs at **Roper Lake State Park** are inviting and invigorating. Enjoy desert vegetation, an accessible fishing dock, stunning views of Mount Graham, and birdwatching. At the park you can fish for Largemouth bass, bluegill, catfish, and Rainbow trout; it's a great place for kids to catch their first fish!

Roper Lake has 30 lake surface acres, a boat ramp, a swimming beach, a day use island with picnic tables and grills, camping cabins, and campgrounds. Reservations are available for campsites, camping cabins, group campground, and group ramadas. Boats are limited to small electric motors, creating ideal conditions for a sail board, kayak, or canoe.

**Dankworth Pond**, three miles south, is a sub-unit of Roper Lake. Dankworth Pond is comprised of 150 acres of land surrounding a 15-acre pond and was once a fish hatchery for rearing catfish. It has picnic ramadas, trails, and a playground. The pond is home to bass, bluegill, catfish, and trout. Waterfowl, migratory birds and other wildlife can be found near the pond.

We have an **affordable option** for visiting all 30 beautiful State Parks. Pick up an Annual Pass at the park and enjoy worry-free **Day Use** access to Parks across the state.
