The Arizona Off-Highway Vehicle Ambassadors are offering a chance for you to come out, meet us and get to know some new riding areas. This free “Show Me” type experience will introduce you to the area by reviewing maps, explaining the types of trails available in the area, review proper riding etiquette/safety information, and taking a ride around the area with the OHV Ambassadors and their decades of experience. These rides are open to users of all skill levels, riding abilities, and riding knowledge. Bring your ATV, UTV, Dirt Bike or 4x4 off-highway vehicle and be ready to hit the trail.
