

OFF-HIGHWAY VEHICLE AMBASSADOR POSITION DESCRIPTION

PROGRAM OVERVIEW

The Arizona OHV Ambassador program is a volunteer program that provides a means for private citizens to work with a variety of federal, state, and local land managers and public safety officials in Arizona to promote responsible off-highway vehicle (OHV) recreation on public, state, and private lands. These volunteers contribute their time, experience, and local knowledge of OHV areas in Arizona by monitoring public lands in groups of two or more on motorcycles, all-terrain vehicles (ATVs), utility vehicles (UTVs), or 4x4 vehicles. Through these monitoring efforts volunteers provide a positive image of their recreation activity, identify and record road, trail, and other resource issues, report misuse of lands, and participate in special projects to enhance OHV areas in Arizona. OHV Ambassadors receive extensive training from professional training representatives and serve as a point of contact for other OHV users to obtain helpful and informative information about the trails they ride.
